FRANK R. ALVAREZ, ED.D.

Superintendent of Schools

November 2011

Dear Parent or Guardian:

The Montclair Public Schools understands that many students and their families would like to have Internet service at home so they can complete homework assignments, search for jobs, download music, communicate with others, and much more. Moreover, the Internet can be an important tool in a child's education. That is why we want to make sure you know about a new program provided by Comcast called Internet EssentialsSM.

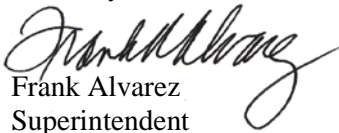

If you have at least one child receiving free school lunch from any school in Montclair, your family may qualify for this fast and affordable home Internet service for the new school year. The cost for Internet Essentials is \$9.95 per month, plus tax. For qualifying families, no price increases, no activation fees, and no equipment rental fees will be charged. In addition, you can purchase a low cost computer for \$149.99, plus tax, and receive free Internet training.

Your family is eligible to participate if you meet all the following criteria:

1. You reside in an area where Comcast offers Internet service.
2. You have at least one child receiving free school lunch under the National School Lunch Program.
3. You have not subscribed to Comcast Internet service within the last 90 days.
4. You do not have an overdue Comcast bill or unreturned Comcast equipment.

The Montclair Public Schools wants to ensure that our students have an opportunity to access online learning and we are eager to tell you about programs that may be helpful to your family, such as Internet Essentials. If you think this might be right for your family, it's easy to get started. Call Comcast toll free at 1-855-8-INTERNET (1-855-846-8376) to receive free information on how to qualify, how to enroll, and how to get connected. You can also go to <http://www.internetessentials.com>.

Sincerely,

Frank Alvarez
Superintendent

Internet Essentials is a program to provide home Internet service for families. It is not a school program, and is not endorsed or required by your school. Your school is not responsible for Internet Essentials accounts.
