In the table above the first number under each column heading is the absolute number of students in the category. The second number is the percentage of each school's students in the category v. their school's total population. For the Total column only, total students at each school are compared to the total students in the district)

* DIST=District MHS=Montclair H.S. GLEN=Glenfield M.S. MT H=Mt Hebron M.S. REN=Renaissance M.S. BRAD=Bradford CHB=CH Bullock EDGE=Edgemont HILL=Hillside NISH=Nishuane NE=Northeast WAT=Watchung

Total = all students with valid test scores (Gen Ed + Sp Ed)
 Gen Ed = all students other than classified students
 Sp Ed = all students with a classification/IEP
 Low SES = all students qualifying for Free or Reduced Lunch.
