

ATTENDANCE POLICY

Students are expected to attend all classes and complete all homework assignments in order to receive academic credit for the course. Only two absences are allowed in summer school. More than two absences will result in dismissal or denial of credit.

LATENESS:

Students are required to arrive on time for all classes. Each student's tardies to class are cumulative; a total of 20 minutes of missed instructional time in any week will equal one full day's absence from the program.

DISCIPLINE

Student regulations require serious study habits, proper conduct, appropriate dress and good citizenship. Students will adhere to Montclair Board of Education rules and regulations pertaining to student discipline policies. Montclair Board of Education reserves the right to dismiss any student, at any time, for academic or disciplinary reasons.

Registration and Tuition fees:
WILL NOT be refunded in the event of a dismissal for academic, attendance, or discipline infractions.

GRADES

Final grades will be issued at the end of the Summer School program.
