

Dear Parents/Guardians,

As the district continues to take precautions related to COVID-19, all events in the month of March have been cancelled, including Registration for the 2020-2021 school year.

If you have already scheduled an appointment to complete the registration process that appointment has been cancelled. You can go online to reschedule your appointment for a date and time after April 20, 2020.

If you have recently moved to Montclair and are registering your child/children for the current year, 2019-2020, you will need to complete the online application, and upload the following documents in the registration portal:

1. Your child's birth certificate
2. Proof of residency (a current lease or your closing documents)
3. Any school records you have for your child
4. Once completed, please email the registrar with your name, your child/children's Last name, and SCAN and ATTACH copies of your child's physical examination and immunization records to:

Registrar Pre-K through Grade 8:

Mrs. Janice Risimini

jrisimini@montclair.k12.nj.us

Registrar Grade 9-12:

Ms. Jasmine Malloy

jmalloy@montclair.k12.nj.us

You will be contacted via email to complete the registration process. Again, this is ONLY for students being registered for this current school year (2019-2020), during the period in which school buildings are closed.

We apologize for any inconvenience that this may have caused. Please remain healthy and safe during this time.
