Dear Parents/Guardians and Staff,

This week the Montclair Board of Education announced a Special Community Meeting Monday, March 28 at 6:30 PM in the George Inness Annex. The purpose of the meeting is to inform the public about a proposed bond referendum that will address facilities and infrastructure as well as structural enhancements that impact instruction in the classroom. As this is currently in a proposal stage, now is a time to offer your input. We highly value and respect your opinions and encourage you to join the conversation. The meeting will be held in person; however, you can also submit questions or comments virtually by using the link on the website which will be posted Monday.

Please view the [press release](#) for further details.

Sincerely,
Dr. Jonathan Ponds
Superintendent
