

THE MIKE ARACE ROCKIN' ROPES CLIMBING CAMP - 2019

Open to students in Grades 4 through 8

Adventure Education at Glenfield School is an approach to physical education and life that is engaging, active, challenging and places a high level of expectation within an atmosphere of support and caring. Even more profound is the effect upon the individual who develops clear insight and a fuller appreciation of self.

The program brings equipment and activities designed and developed by Project U.S.E. to our students. Activities include: games, wall climbs, rappelling and belaying techniques on an indoor ropes course. These activities emphasize the program's purpose of developing heightened problem solving, cooperation and communication skills, while building self-confidence.

Camp Director: Marc Papa mpapa@montclair.k12.nj.us 973-509-4171 x4188
