

Welcome to House 3

Hopefully everyone had a safe and restful summer break. We know that these are uncertain times, but the teachers want you to know that we are ready to make the most of the circumstances so that you have the best year possible!

Preparation and organization will be key tools this year and ultimately for the rest of your life! The list below contains the basic supplies you will need this year. Teachers may have other specific supplies you will need for a course, so check with each teacher to be sure you have everything you need to be successful. If you have a problem getting any of the necessary supplies, please let your teachers know.

It is important that the lines of communication stay open between parents, students, and teachers. Below is the contact information for House 3. Please send an email to any teacher should a question or concern arise. This year we will be using the Genesis student information system to communicate with parents. Please ensure that your phone numbers and email addresses are correct in the system.
