Read Across Northeast

March 4th through March 8th across the United States we celebrated reading. A recognition born through the inspiration of great authors who inspired us all to pick up a book and dive into our imaginations. There is no other fundamental skill that a school can foster than the ability to read.

In my November 8th Newsletter entitled, "Reading at Northeast" I detail the scaffolded program for reading instruction at Northeast along with the various strategies

and interventions we access to lead students to success. It is critical that we promote this growth and raise capable and engaged readers.

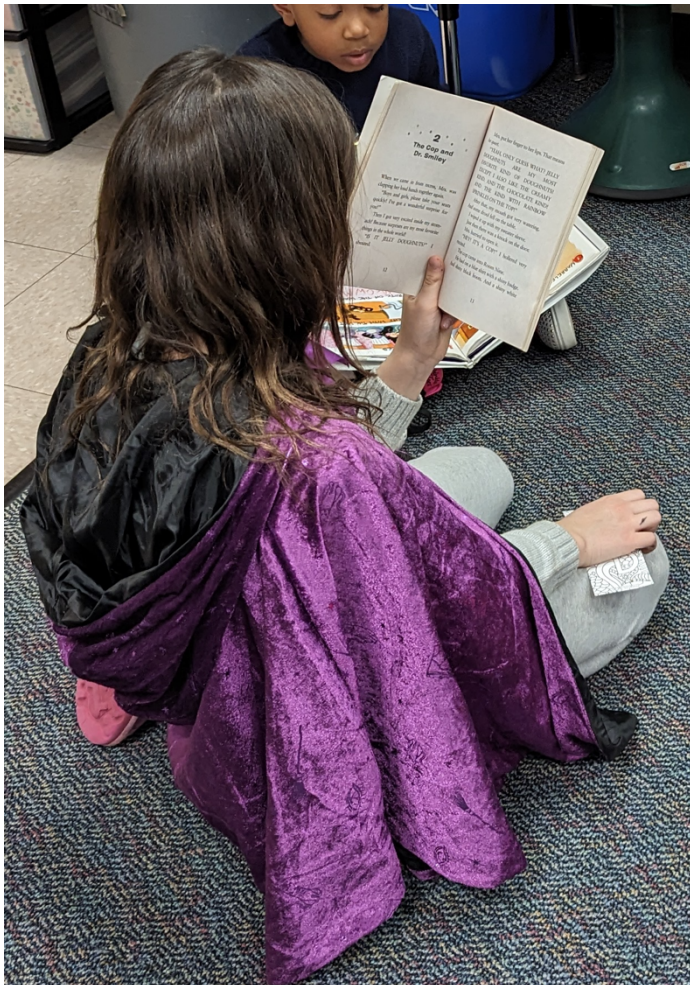

While the country read across America, we hosted a myriad of activities that fostered reading across Northeast.

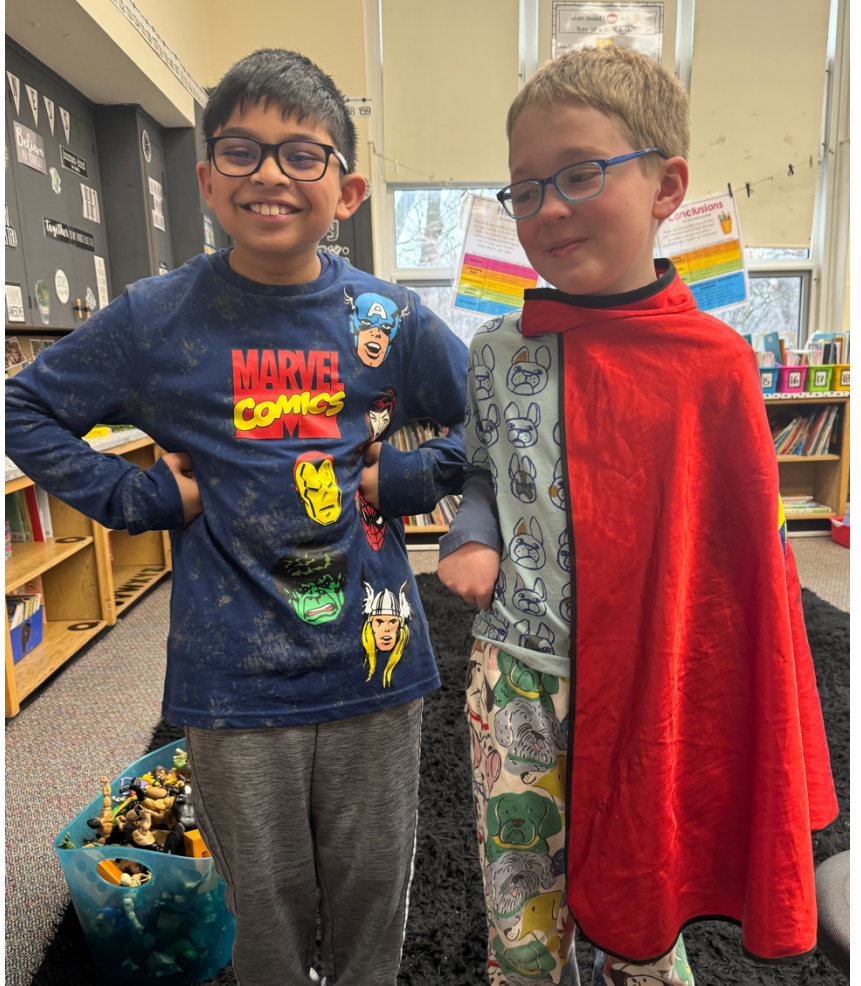

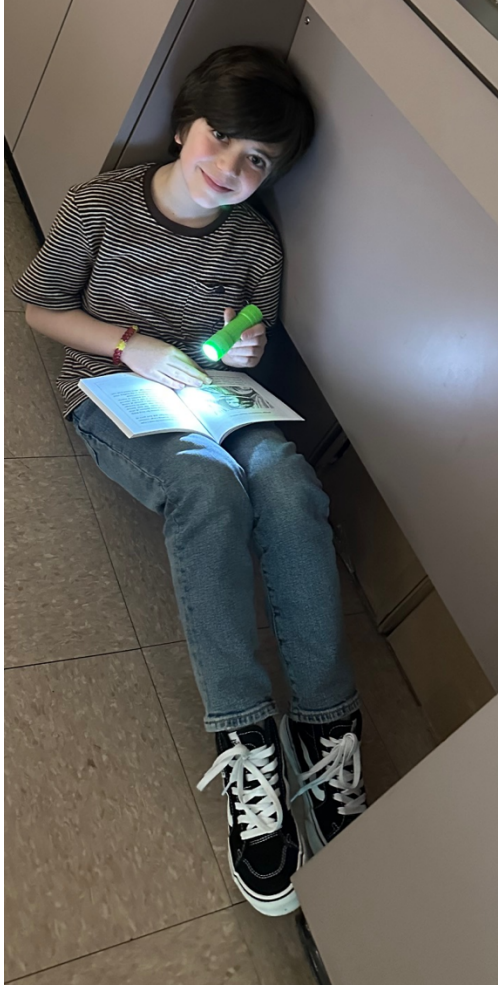

Check out these pictures which capture moments connected to each of our thematic days! Whether it be Book Buddies, flashlight reading, interactive story times or a school wide story read by the principal (me 😊), our students had a meaningful and great week!

READ ACROSS AMERICA WEEK!

Monday 3/4	Celebrate that reading is relaxing	Dress in your jammies or comfy clothes and bring a stuffy
Tuesday 3/5	Celebrate that reading is an adventure	Dress in something from a place you visited or want to visit
Wednesday 3/6	Celebrate that reading is a superpower	Dress up like a superhero
Thursday 3/7	Celebrate that we are all unique	Dress in something that represents who you are
Friday 3/8	Celebrate that reading is for sharing	Dress in your Northeast Spirit Wear and bring a copy of your favorite book
