

Northeast News: September 23, 2022

What's New:

- **Thank you!** As we are finishing the week, and I my time at Northeast School, I am reflecting on what a wonderful school community this is. I am honored to be able to work with such an amazing, supportive and collaborative staff this past month. A great joy for me this month has been getting to know your children, having great conversations with them, and seeing them in action- learning and playing! We have accomplished a lot in this short time and I am truly happy for this school community as you get ready to welcome Dr. Somerville who is also so excited to join the Northeast School Community. We will welcome Dr. Somerville on Wednesday, September 28th!

- **Join the team!** If you are interested in or have been involved with Northeast School Action Team for Partnership (SATp), please email Dr. Somerville (tsomerville@montclair.k.12.nj.us) to let him know! We would love to have you on the team.
 - **What is it?** A committee made up of parents, faculty and administrators set up to involve the entire Northeast community in realizing our school goals.
 - **Tell me more?** SATp represents and gives a voice to each constituency group within our school community. We work with administration and staff to support objectives and initiatives that will help us achieve our school goals.
 - **How big is the time commitment?** There are multiple and easy ways to get involved. Join us for our first SATp meeting (date TBD) to learn more!

All the Best,
Jill McLaughlin
