

What's New:

Greetings Northeast Nation! Happy Chinese New Year! Year of the Rabbit!

PTA Evening Tours are coming up! Please check the school webpage for date and times.

Nurse's Note:

It is most helpful to do the following when your child will be absent:

- 1 Call the attendance line 973-509-4242 #1 to report your child's absence before 9am.
- 2 Though not mandatory, it is helpful to let the school nurse know if your child has tested positive for RSV, Strep, COVID, Flu, or any other contagious disease.

Nurse Christie,

CRule@montclair.k12.nj.us Phone: 973-509-4241

SEPAC: [Here is an important flyer with upcoming SEPAC dates.](#)

General Housekeeping:

This is hard to write because we have been doing a much better job keeping our students safe during arrival. I am writing this because our Northeast students are being put at risk as some of our parents are picking up students and driving through the parking lot while students are being dismissed. This is extremely dangerous! Please be advised that parents are not allowed to park in the staff parking lot . There is a sign that states "Staff Parking Only". Additionally, there have been reports of dogs on the premises. We also have signs that say "No Dogs". Please adhere to the procedures as they are to keep our students safe. We are our child's first example of what following the rules and being respectful looks like.

Celebrations:

- We celebrate The entire Northeast Community! Let's continue to grow!

The school district calendar is always posted on the Montclair Public School District website: www.montclair.k12.nj.us. Here is a copy of the calendar, please be sure to refer to it for upcoming district events and closings.
