

What's New:

Greetings Northeast Nation! Happy St. Patrick's Day! March Madness Continues! Please encourage our students to wear college gear! We had a fantastic week! The Global Magnet Musical Performance was OUTSTANDING!! Special thank you to Mr. Dey!! We will continue to celebrate Women's History month! Have a great weekend!

General Housekeeping:

Dismissal: As it starts to get warmer, we realize that families are going to want to use the playground and field. Please remember to monitor our students for safety purposes. Also, there should be no parking in the staff parking lot and no dogs on the premises during school hours.

Celebrations:

- Thank You to Ms. Cloud and our Northeast NJPTA Reflections Winners for 2023!! We had five NE students go on to the National level for another chance to win!!!!
- Thank you to Mr. Dey, teachers, and our K-2 NE students for an amazing performance!
-

From Our School Nurse:

Keep your child home for:

- A full day after vomiting,
- A full day after diarrhea, and
- A full day after the last signs of fever 100F+
- If your child needs Tylenol or Motrin to bring the fever down, it has not yet resolved.

Unfortunately, sick days DO count as absences, but informing the nurse of your child's illness creates a paper trail so we know why your child has missed school. It is always best to keep an ill child at home.

Thank you!

Christie Rule, School Nurse
