

Happy Friday to all parents/guardians,

As all are aware our school is experiencing an up-tick in positive COVID cases. Please be mindful of the virus that is still with us and be on guard in all places as we continue to follow all loosened CDC guidelines.

A special thank you to Christine Soljan, Wendy Allred and Theresa McDonald for organizing the GloBALL with a host of volunteer support. The music was electric as we enjoyed socializing with friends, neighbors and colleagues.

Our principal search is on the move. We have over 50 candidates vying for the Northeast Principal's position. The committee has been selected by me and the Personnel Director. The interviewing committee includes a representative from each of these groups: PTA, SATp, MEA, staff members, CST, Interim Principal, and the Personnel Director. This will be a virtual session for each candidate. Once two to three candidates are selected, there will be a school/community zoom forum where each candidate will be given a task to share, outlined by the Personnel Director. Those candidates with our data in tow, will then be sent to the Superintendent for his recommendation. Once selected there will be a community meet and greet, hopefully by mid-June in person. What I would like from our Northeast community is for you to use this google link <https://forms.gle/CPwiBL1tYBiKmgBe8> to share a few characteristics you would like to see in the chosen candidate. I will then share your information with the committee before the interviews start to help guide our selection. Please complete this by May 26th. More details to follow. Thank you.

A special thank you to Mr. Dey, our music teacher, along with his student teacher for organizing the showcase of 4th grade instrumental talent in our school community. Kudos.

Mike Chiles
