

What's New:

Greetings Northeast Nation! I hope everyone had a great week! We will be bringing our Black History Month celebration to end next week. We started with an Amazing Assembly and we will end with our 4th Grade putting on an African American History Wax Museum! Please remember, we should always acknowledge the history and contributions of "all" throughout the year.

We will have Read Across America Celebrations next week! We look forward to our guest readers! Additionally, Women's History begins in March!
