

Happy Friday to all parents/guardians,

To all the mothers, grandmothers, expecting mothers and fathers who assume the role of mother we celebrate you this Sunday. We value your everyday attention to yourself, family, friends and pets. Had our founding fathers better valued the contributions of women and men of color our democracy I believe would be in a better place. Enjoy your special day as we the world honor you.

You may have noticed that the Northeast principal's position has been posted in the district. which means you will have a new principal during the 2022/2023 school year. I am waiting for directions from the Personnel Department as to how the principal will be chosen. The Superintendent has choices that he can employ. I will keep you in the know as soon as I know. Please start paying strict attention to these newsletters for updates especially now as this school year is closing quickly.

If your child is missing any garments, please have them check our lost and found which is located on the ground floor near the ramp at the rear of the building. If the garments are not picked up before the end of the school year, they will be donated to a local charity.

Save the date! Our Cadet Band 4<sup>th</sup> grade spring concert is less than two weeks away! The concert will be held on Thursday, May 19 at 9:15 am in the Northeast Gym. This concert is open to family of participating students and will be approximately 30 minutes in length. The Northeast student body will be invited to a dress rehearsal held at 1:30 pm on the 18<sup>th</sup>. This concert will also be live streamed by the district. The link will be sent home a few days before the concert. The NE Talent Show returns tonight! The hottest tickets in town can be purchased at the door for the 6pm performance at Glenfield Middle School. Adults \$10, children are free. Parking is available in the garage under the school. The performance is in the auditorium, which can be reached via the long outdoor staircase.

**Reminder:** The New Jersey Student Learning Assessment (NJSLA) will be administered to students in grades 3-5 for ELA and Math the week of May 9<sup>th</sup>. Testing will begin at 8:40 am, so **please be sure to have your children arrive on time and have had their breakfast.** Only 5<sup>th</sup> grade will be administered the science assessment.
